Registration Worksheet for Parents and Teachers

This is NOT a registration form.

- Please ensure that your students register correctly by filling out this information for them. This will avoid correction fees and will ensure that the schedule comes out as soon as possible.
- Complete one form for each participant.
- Make sure your students use this form when they register online.
- Title, Composer and Piece Length boxes for each piece must be completed.
- Teacher's contact information is required for students to register.
